

4D Debt Destruction

As summertime is winding down, people begin returning to "normal life." Unfortunately, for most in North America, "normal " includes a grotesque amount of debt (non-residential debt). Incredible, but many will have their debt burden further compounded by their "summer debt" relating to vacations, etc.

It is time for the Church to step up, grow up and eradicate this burden of debt. It can with 4D Debt Destruction.

Here is one of our great testimonies of 4D Debt Destruction of over \$60,000 from Dale and Michelle. A Canadian couple in Springs Church of Winnipeg, Manitoba, under Pastor Leon Fontaine. A truly awesome church. They write:

"On Bob's first visit to Springs, we attended the three nights of meetings. We were challenged and encouraged. We decided it was time to eliminate our debt and purchased Bob's book. Our non-residential debt at that time amounted to approximately \$62,000 (credit cards, education, cars, line of credit, etc.)

"We followed the debt elimination program detailed in Financial Champions. Each time we paid off a debt, we rolled our "debt budget" on to the next debt as instructed. It was awesome to see the snowball effect that took place (as you said it would.) In just 2 1/2 years, the \$62,000 debt was eliminated."

"We were already committed tithers, however, during those 2 1/2 years, God challenged us to increase our giving beyond our tithes. We obeyed. He is faithful, we have been blessed. As Bob said, with God, the 90% always goes further than keeping 100%. We thank God for our Pastor in bringing Bob to our Church, and thank you Bob for teaching and enabling us to become financial warriors for Christ."

A wonderful testimony to the power of God's Word and 4D Debt Destruction. For those serious about lifting their family up out of the weight of debt, here is what it really takes to destroy your debt.

1. **DEPOSIT**... into God's kingdom. Your finances need a strong foundation. Built on faith in God. Evidenced by "keeping up your tithing." It is never a time to back down in your giving by cowering to fear and flesh. Push the battle in your giving.
2. **DETERMINATION**... which is much more than desire. Everyone desires to destroy debt, few actually do, few are determined. Evidence of a determined person is one who never tolerates or looks for excuses, does whatever is necessary to win and will not entertain the thought of quitting for one second.
3. **DESIGN**... get a plan!. Planning is essential. Anyone who has ever attended our Financial Champions Breakthrough meetings like we held at Springs church, knows that *Planning is faith (Prov. 21:5)*! Without a plan, there is no faith, no road map to keep you on course and focused on your destination of debt destruction!
4. **DISCIPLINE**... is a foundation AQL requisite to being a Disciple of Jesus. Discipline is doing what is right and necessary, not what the flesh and immature soul are pulling one to do. Finances are a battle. At stake is the financial course of you, your children and your future generations. It takes discipline to win any battle, especially this one.

In the beginning, it is not always fun. But as you stay consistent in the 4D Debt Destruction, a fifth D will soon emerge as it did in Dale and Michele.....DELIGHT! Delight in increasing your financial capacity, the power of God's word and your ability to destroy debt and build wealth!.

It is time for the Church to delight in their finances. It is time for equipped saints with 4D Debt Destruction capabilities eradicating debt and advancing the Kingdom with their finances.
